Subject: Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway to the southeast of Cambridge Cambridge

Dear Minister for Transport

I am a resident of Great Shelford writing to make a formal objection to the Application for a Transport and Work Act Order for a new busway to the southeast of Cambridge as submitted by the Cambridge Greater Partnership on 9 January 2025.

When our precious green spaces – The Gog Magog Hills, Coton Orchard, Nine Wells Nature Reserve – are concreted over for the proposed bus route, they are gone for good. The people of this area want a much cheaper and kinder alternative route built along existing travel corridors.

Please consider my objection.

Yours sincerely

Alison Denton
