I write to object to the closure of a historic and still well-used public footpath which crosses the railway line at Moorgate, Uppermill.

Using the path for 6 months of the year as I do, it provides the only safe route from Ladcastle Road into Uppermill, as all alternative options are impassable during the Autumn and Winter months.

Solutions include

A bridge over the track

A tunnel under the track

Leave it as it is

I hereby register an objection and demand it be reopened forthwith!
