

THE CAMBOURNE TO CAMBRIDGE TRANSPORT AND WORKS ACT

NOTE ON CERTIFICATION OF DEPOSITED PLANS

1. CERTIFICATION OF DEPOSITED PLANS

- 1.1 Attached at Appendix 1 is a full list of the documents which would be certified under Article 56 of the Order, if made. In summary, the list at Appendix 1 includes the following documents:
- (a) The Book of Reference [**CD1-13.03**]
 - (b) The Deposited Plans which consist of:
 - (i) The Engineering Drawings [**CD1-12.06**];
 - (ii) The Rights of Way Plans [**CD1-12.05**];
 - (iii) The Special Category Land Plan [**CD1-12.03**];
 - (iv) The Crown Land Plans [**CD1-12.04**];
 - (v) The Works and Land Plans [**CD1-12.01**]; and
 - (vi) The Section Drawings which consist of:
 - (A) Longitudinal Sections [**CD1-12.07**] and
 - (B) Deemed Planning Proposed Site Sections [**CD1-16.05**]
- 1.2 As can be seen from the list attached at Appendix 1, the full list with associated sheet numbers and document references is lengthy, running to several pages. For this reason, it is not usual to include a full list as a separate schedule in a Transport and Works Act Order.
- 1.3 If considered necessary, this could be achieved by adapting Article 56 to require submission of the documents in the schedule, and by cross referencing the definitions in the Order to the relevant schedule.
- 1.4 However, the Applicant considers that submission of the schedule attached to this note provides sufficient clarity for all parties as to the relevant documents to be certified without the need to incorporate this schedule into the Order, if made and therefore, does not consider it necessary to amend the Order to incorporate the schedule at Appendix 1.
- 1.5 CD references have been provided in the schedule at Appendix 1 for ease of reference by inquiry participants, but it would not be usual to include these in a statutory instrument. Therefore, if the schedule was to be incorporated in the Order, the CD references would need to be removed.
