Subject: Objection to Transport and Work order to the Department of Transport (Dfl) for a new busway lin king Cambourne to Cambridge
Date: 05 January 2025 19:58:59

I Anthony James Barnard of [redacted], am writing to make a formal objection to the Department of Transport for the' Application for a Transport and work act Order made to the Department of Transport (Dft) for a new busway linking Cambourne to Cambridge as submitted by the Cambridge Greater Partnership on 12 the November 2024..

The alternative is to support a tram or a light rail system to serve Cambourne and Cambridge. Environmentally much more acceptable and practically far more efficient . Decidedly by far the better method of serving the future.

With my respects

A J Barnard.
