Dear Sir/Madam,

I am a resident of Tackley. [REDACTED].

I strongly object to the closure of the national cycle route and footpath by the Tackley station, and for it to be rerouted along the side of the railway line.

I have objected in the past and feel that alternatives have not been fully considered. Namely that of a tunnel below the crossing.

I would like to see the documentation where this has been fully discussed and the reasons why this has not been pursued.

I would also like to see the consultation with Oxfordshire County Council with regard to the closure of this national cycle route.

I am a runner and dog walker and use this footpath on a regular basis. I am not looking forward to sharing my runs and dog walks with the great western trains!

I look forward to hearing from you shortly.

Regards

Fiona M Colonnese
