Subject: Objection to busway Cambridge

I wish to object to the proposed Busway from Babraham through Stapleford, through beautiful green countryside.
It will be a blot on the landscape!

Unnecessary, as there are many roads to Babraham, and there are buses that regularly use these roads.

There is a cycleway/ walkway from Stapleford to Babraham.

Who is this bus for??????

It is not needed.

We must cherish our green, countryside full of beautiful plants and animals.

Stop concreting our green space!

Please, please stop! ●

Many thanks.

Kind regards,

Francesca Brown
