I wish to object to the proposals in the Network Rail Stalybridge to Diggle. TWA order.

I am a local resident who travels from grasscroft to uppermill multiple times a day to collect my children from school/the bus stop.

No detail has been given as to what the diversions will be and that emergency service access will be compromised by the traffic diversions, many on narrow roads.

In addition the very well used pedestrian level crossing at Moorgate has been closed temporarily - and intentionally for ever - and that the originally proposed footbridge has been cancelled; this will cause permanent, considerable problems to residents and visitors and offering only a very dangerous alternative footpath route in its place.

Kind regards
