ESSEX LEVEL ORDER

re: E41 Paget Road Wivenhoe **pedestrian crossings.**

We object to the closure of the crossing above on the grounds that;

1. It is well used as a survey has been shown.
2. There is good vision from both directions and no accidents have been recorded.
3. And save constructing an over or underpass (which is not practical) no other options would provide the convenience currently enjoyed.

Please take the comments felt by so many local people seriously
