

TRANSPORT AND WORKS ACT 1992

TRANSPORT AND WORKS ACT (INQUIRIES PROCEDURE) RULES 2004

THE CAMBRIDGE SOUTH EAST TRANSPORT ORDER

STATEMENT OF CASE

SUBMITTED PURSUANT TO RULE 7(3) OF THE

TRANSPORT AND WORKS ACT (INQUIRIES PROCEDURE) RULES 2004

ON BEHALF OF OBJECTORS

ASTRAZENECA UK LIMITED and MEDIMMUNE LIMITED

1. INTRODUCTION

- 1.1. This Statement of Case is submitted on behalf of AstraZeneca UK Limited and Medimmune Limited who are the owners of land and have interests in land included within the Order scheme. As such, AstraZeneca UK Limited and Medimmune Limited are registered statutory objectors to the proposed Cambridge South East Transport Order which has been applied for by Cambridgeshire County Council and Greater Cambridge Partnership.
- 1.2. AstraZeneca UK Limited and Medimmune Limited submitted their objection to the Order by letter dated 6 March 2025.
- 1.3. Whilst AstraZeneca UK Limited and Medimmune Limited support the broad objectives of the Scheme, it has concerns that the Scheme will cause significant harm to its retained landholdings throughout all phases, including construction and operation of the Scheme. It therefore opposes the Scheme unless and until these concerns can be resolved.
- 1.4. Cambridgeshire County Council and the Greater Cambridge Partnership have failed to sufficiently consider the impacts on the AstraZeneca UK Limited and Medimmune Limited arising from the Scheme and the measures that may mitigate such impacts. The suite of Transport and Works Act Order 1992 application documents does not contain sufficient information to ensure that significant harm to the interests of AstraZeneca UK Limited and Medimmune Limited can be avoided or mitigated by the Scheme.
- 1.5. In preparing this Statement, AstraZeneca UK Limited and Medimmune Limited seek further information from Cambridgeshire County Council and the Greater Cambridge Partnership regarding the proposed Scheme which it is hoped will enable AstraZeneca UK Limited and Medimmune Limited to better assess the impacts of the Scheme on its land and interests in land. The level of detail provided by Cambridgeshire County Council and the Greater Cambridge Partnership in the Application on matters, including mitigation, is inadequate. As such, AstraZeneca UK Limited and Medimmune Limited cannot undertake a full assessment of the impacts of the Scheme.

2. BACKGROUND

- 2.1 AstraZeneca UK Limited and Medimmune Limited have received Notices of Application for an Order dated 16 January 2025.
- 2.2 AstraZeneca UK Limited and Medimmune Limited hold the following long leasehold titles forming part of the Cambridge Biomedical Campus at Francis Crick Avenue, Cambridge CB2 0AA ("CBC"):
 - Lease of AZ North registered at the Land Registry under title number CB401313 dated 30 March 2015 and made between (1) AF Pemberton and Others (2) AstraZeneca UK Limited and MedImmune Limited (3)

Cambridge Medipark Limited (4) CBC Estate Management Limited and (5) Cambridge University Hospitals NHS Foundation Trust as varied by three deeds of variation dated 26 January 2018, 25 July 2022 and 9 May 2024 (the “AZ North Lease”)

- Lease of AZ South registered at the Land Registry under title number CB401311 dated 30 March 2015 and made between (1) AF Pemberton and Others (2) AstraZeneca UK Limited and MedImmune Limited (3) Cambridge Medipark Limited (4) CBC Estate Management Limited and (5) Cambridge University Hospitals NHS Foundation Trust as varied by three deeds of variation dated 26 January 2018, 25 July 2022 and 9 May 2024 (the “AZ South Lease”)
- Lease of the Gas Governor registered at the Land Registry under title number CB433731 dated 12 June 2018 and made between (1) Anthony Francis Pemberton (2) Antony Francis Pemberton and others (3) AstraZeneca UK Limited and MedImmune Limited (4) CBC Estate Management Limited and (5) Cambridge University Hospitals NHS Foundation Trust (the “Gas Governor Lease”)
- Lease of the Tunnel registered at the Land Registry under title number CB401408 dated 30 March 2015 and made between (1) Cambridge Medipark Limited (2) AstraZeneca UK Limited and MedImmune Limited and (3) CBC Estate Management Limited (the “Tunnel Lease”)
- Lease of the Hospital Strip registered at the Land Registry under title number CB401435 dated 30 March 2015 and made between (1) Cambridge University Hospitals NHS Foundation Trust and (2) AstraZeneca UK Limited and MedImmune Limited (the “Hospital Strip”)

2.3 AstraZeneca UK Limited and MedImmune Limited also have rights over parts of the CBC by virtue of the following documents:

- Deed of grant relating to discharge rights and other easements for the benefit of the AstraZeneca Campus dated 15 November 2023 made between (1) The Hobson’s Conduit Trustees and (2) AstraZeneca UK Limited and MedImmune Limited (the “Deed of Grant”)
- Deed of easement for underground service media dated 29 November 2019 made between (1) Antony Francis Pemberton and Others (2) Cambridge Medipark Limited and (3) AstraZeneca UK Limited and MedImmune Limited (the “Deed of Easement”).

3. IMPACTS OF THE SCHEME

Ownership Boundary

3.1 The site demised to AstraZeneca UK Limited and MedImmune Limited by the AZ South Lease which is immediately west of Francis Crick Avenue, was registered with HMLR with an incorrect area plan. Based on the analysis we have been able to do we believe the order limits for rights over Francis Crick Avenue (plots 006 and 008) have been aligned to the incorrect boundary resulting in land which is

subject to the AZ South Lease being incorrectly included in the draft Order. HMLR has recently acknowledged the error made and a revised plan correctly reflecting the boundary with Francis Crick Avenue has now been added to the register.

- 3.2 Our understanding is that there is no need or requirement for the draft Order to include the slither of land which is subject to the AZ South Lease and that therefore the Order plans should be amended so that they align with the correct boundary line, being the AZ South Lease boundary which is now registered at HMLR.
- 3.3 Despite making this point in its objection letter of 6 March 2025 AstraZeneca UK Limited and Medimmune Limited have received no clarification from Cambridgeshire County Council and the Greater Cambridge Partnership on this point, confirmation or otherwise as to the inclusion of the slither of land in the Order limits.

Book of Reference

- 3.4 The AstraZeneca UK Limited and Medimmune Limited interests in the Book of Reference are incomplete and the entries for AZ UK Limited and Medimmune Limited should all be the same. Appended as an attachment to this Statement is a mark up copy of the Book of Reference correctly stating AstraZeneca UK Limited and Medimmune Limited interests in the various plots along Francis Crick Avenue.
- 3.5 On 6 March 2025 we asked that this be acknowledged and confirmation be provided that an updated Book of Reference will replace the version published with the draft Order.
- 3.6 As at the date of issuing this Statement no such acknowledgement or confirmation has been received.

Extinguishment of Rights

- 3.7 The leasehold interests held by AstraZeneca UK Limited and Medimmune Limited, the Deed of Grant and the Deed of Easement all include the benefit of rights over the privately owned Francis Crick Avenue and adjoining areas. In the draft Order part of Francis Crick Avenue is shown in blue (for the acquisition of permanent rights) and then from the roundabout at the south end of Francis Crick Avenue and beyond it is shown in pink (full acquisition powers).
- 3.8 AstraZeneca UK Limited and Medimmune Limited are concerned that the effect of implementing full acquisition powers over the pink plots mentioned above will be to extinguish all the rights currently enjoyed. It may be that the plan is for the highway to be taken out of private ownership and adopted by the Promotor as a public highway. Neither is stated in the draft Order but it would be helpful to understand the proposal or commitment being made in this regard.
- 3.9 In its objection dated 6 March 2025 AstraZeneca UK Limited and Medimmune Limited sought an assurance that their rights will not be extinguished through any later implementation of the Order. If, however, the rights are to be

extinguished AstraZeneca UK Limited and Medimmune Limited will want to be assured that they will not be prejudiced as a consequence of the extinguishment of the rights and that in all respects the new ownership would not prevent its continued ability to exercise the benefit of the rights which currently exist, over the altered highway.

- 3.10 As at the date of issuing this Statement, no such assurance has been offered or provided.

Ground Water Drainage

- 3.11 AstraZeneca UK Limited and Medimmune Limited have the right to discharge ground water on a permanent basis into the swale along the west side of Francis Crick Avenue, necessary for the ongoing protection of its assets. Water from the swale eventually ends up in the balancing ponds to the south of the Anne McLaren Building. From the balancing ponds the water drains under Addenbrooke's Road, running adjacent to the railway line and into Hobsons Brook. AstraZeneca UK Limited and Medimmune Limited hold rights to use this drainage scheme under the Deed of Grant.
- 3.12 The route of the drainage scheme (running in part along Francis Crick Avenue and then from Addenbrooke's Road through the various plots identified in the attached amended version of the Book of Reference against which the "Deed of Grant" has been noted) must be protected and maintained or replaced without interference with its ability to take the flow of water arising.
- 3.13 In its objection of 6 March 2025 AstraZeneca UK Limited and Medimmune Limited sought an assurance that the drainage scheme will not be affected by the CSET works and for any interference with its legal rights to use the drainage scheme arising as a consequence of the CSET works to be rectified without detriment at the promoter's cost.
- 3.14 As at the date of issuing this Statement, no such assurance has been offered or provided.

Permitted Development

- 3.15 Through ongoing engagement AstraZeneca UK Limited and Medimmune Limited are aware of proposals which involve changes to Francis Crick Avenue that are not reliant upon confirmation of the TWAO and are currently proposed to be carried out under permitted development rights in advance of the works that are due to be authorised by the TWAO. AstraZeneca UK Limited and Medimmune Limited will continue to work with the promoter and the owner of Francis Crick Avenue to address concerns that have already been raised. However, in the event that these works should later become part of the TWAO before it is authorised, AstraZeneca UK Limited and Medimmune Limited reserve the right to make representations at that time.

4. INADEQUATE CONSULTATION

- 4.1 Government guidance in the form of 'A Guide to Transport and Works Act Processes' dated 2006 (and last updated in November 2013) stresses the need for thorough consultation before Transport and Works Act Orders are made. AstraZeneca UK Limited and Medimmune Limited will show that notwithstanding this clear guidance, Cambridgeshire County Council and the Greater Cambridge Partnership have not undertaken meaningful engagement with them.
- 4.2 Since 6 March 2025 when the objection was submitted there has been no engagement by Cambridgeshire County Council and the Greater Cambridge Partnership. It will be clear from the points of objection made that through engagement some if not all of the matters could have reasonably been resolved to some degree and had that taken place time spent preparing for Inquiry could have been mitigated.

5. CONCLUSION

- 5.1 AstraZeneca UK Limited and Medimmune Limited maintains its objection to the scheme unless and until Cambridgeshire County Council and the Greater Cambridge Partnership satisfactorily address the issues expressed above in this Statement.
- 5.2 Given the identified issues, AstraZeneca UK Limited and Medimmune Limited wish to emphasise the importance of immediate engagement by Cambridgeshire County Council and the Greater Cambridge Partnership to address these concerns.

APPENDICES

- a. CSET-13-00 Book of Reference – HEI amends-112295454-v1
- b. Redline - CSET-13-00 Book of Reference - original-112295459-v1 and CSET-13-00 Book Of Reference - HEI amends-112295454-v1
