Report Suspicious

Dear Sir/Madam,

This email is to register my objection to the rerouting of the bridleway by tackley station. I am a local resident and use the current bridleway path frequently. The current footpath is well used and a safe distance away from the railway line for all users (dog walkers, horse riders, children, walkers eg), without the high fired trains that pass along the line disturbing users. It is also a well established and surfaced path which helps users of all abilities. The rerouting of this path makes no logical sense, especially when the existing path is so good.

Kind regards

Jenny Birch
