Regarding the proposals and railway works on the Stalybridge to Diggle line.
I use the footpath 209 on Dark Lane Uppermill regularly as my house is [REDACTED] I'm very upset at it's recent closure which I understand is temporary. The footpath and access to the surrounding woodlands are very important to me. I understand that there are proposals to build a footbridge over the railway which I do hope will happen to keep the crossing open. The proposed alternative routes/paths are not acceptable or safe.
I object very strongly to a permanent closure of the Moorgate crossing.
