Notes

Introduction

This study is being undertaken to obtain evidence by the communities surrounding Ellenbrook Country Park to support their objection the quarry on the site of the Country Park for the 30-40 years.

Instructions

There is no defined route to use, however the more of the Country Park you are able view the better.

Please record your starting and finishing time as you enter and leave a wider Country Park area.

Please record on the map the approximate location of each person or group at the time you first observe them with a small arrow showing the direct they are travelling.

Please keep a total of the number of people observed, this will enable us to understand the group sizes and social uses of the Country Park.

If you are able to sub-divide user into the following groups it will assist us.

Walkers

Dog walkers (if unsure record as walkers)

Cyclists

Runners

Please complete the weather data for the time of your visit. We are using Rothamsted for temperature which can be found by searching Rothamsted (Hertfordshire) last 24 hours weather - Met Office

Note this data only appears after 2-3 hours and only remains 2 days on this site.

Wind speed eg still, slight, windy, strong winds, gales.

Please email you completed form to ourplan@colneyheathparishcouncil.gov.uk

Colney Heath Parish Council acknowledges the use Google Maps

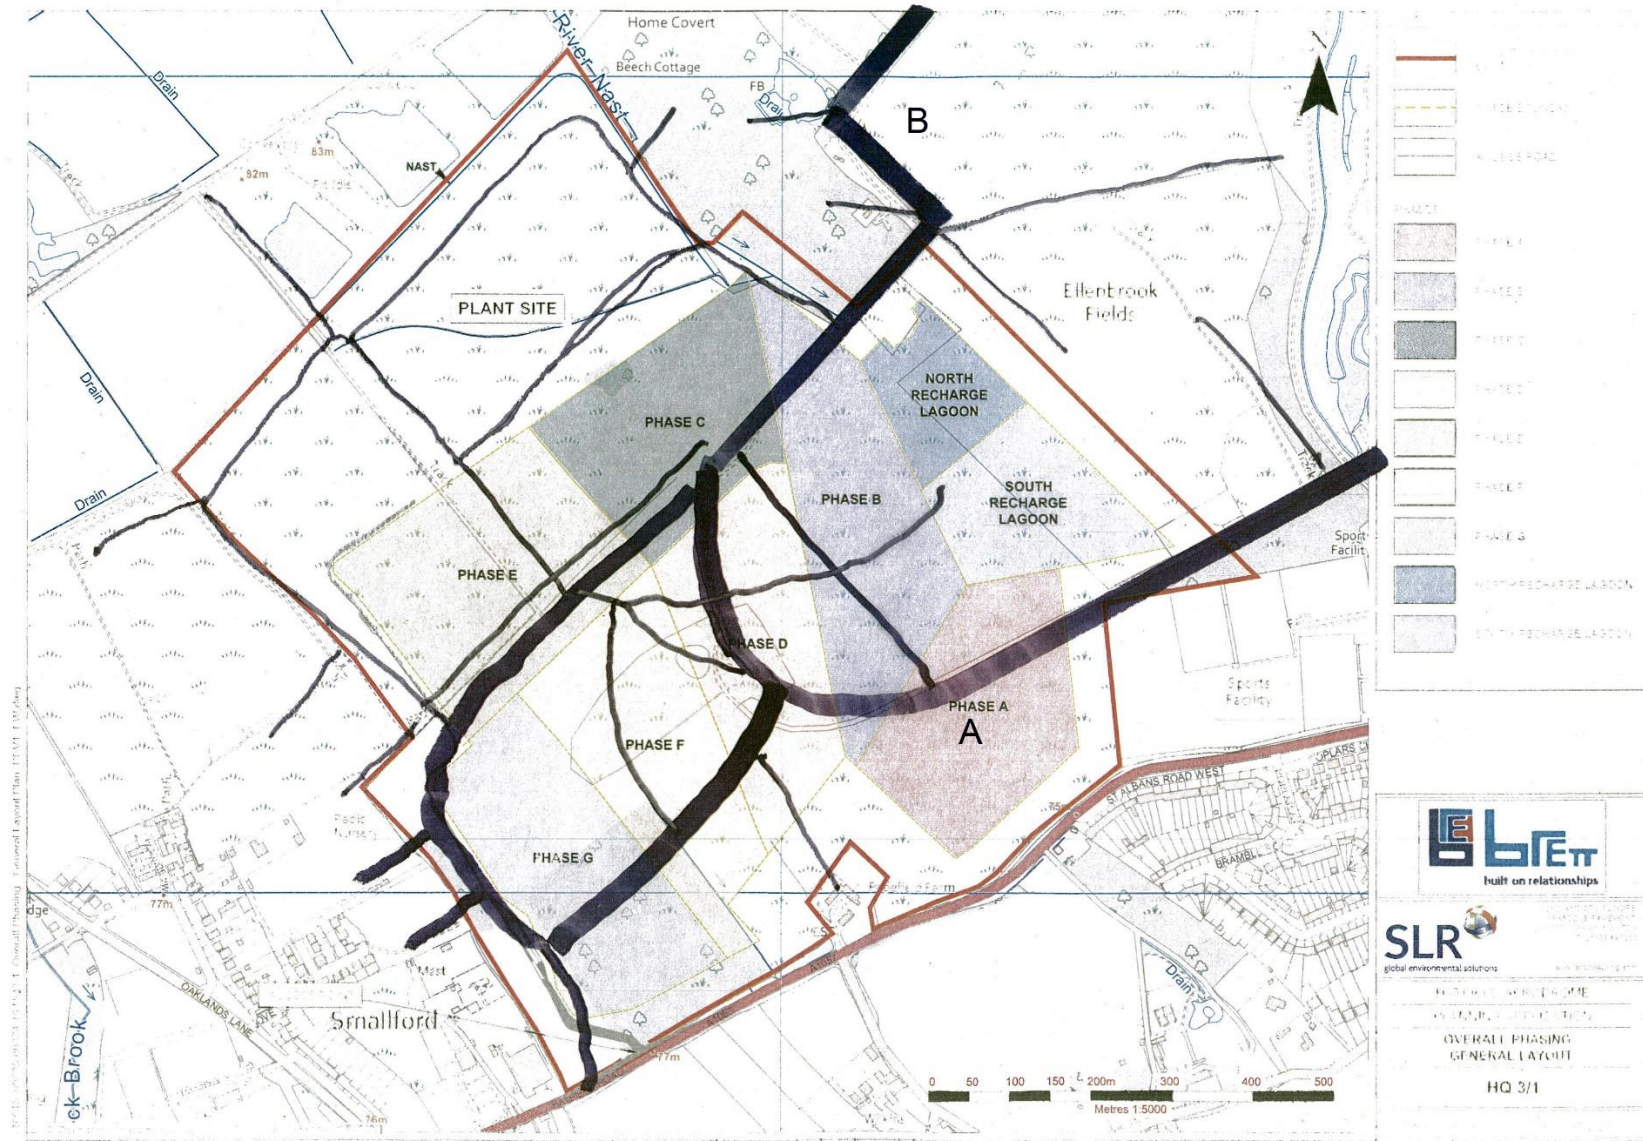

Colney Heath Parish Council acknowledges the use Brett/SLR maps for illustrative proposes only.

Diagrammatic maps

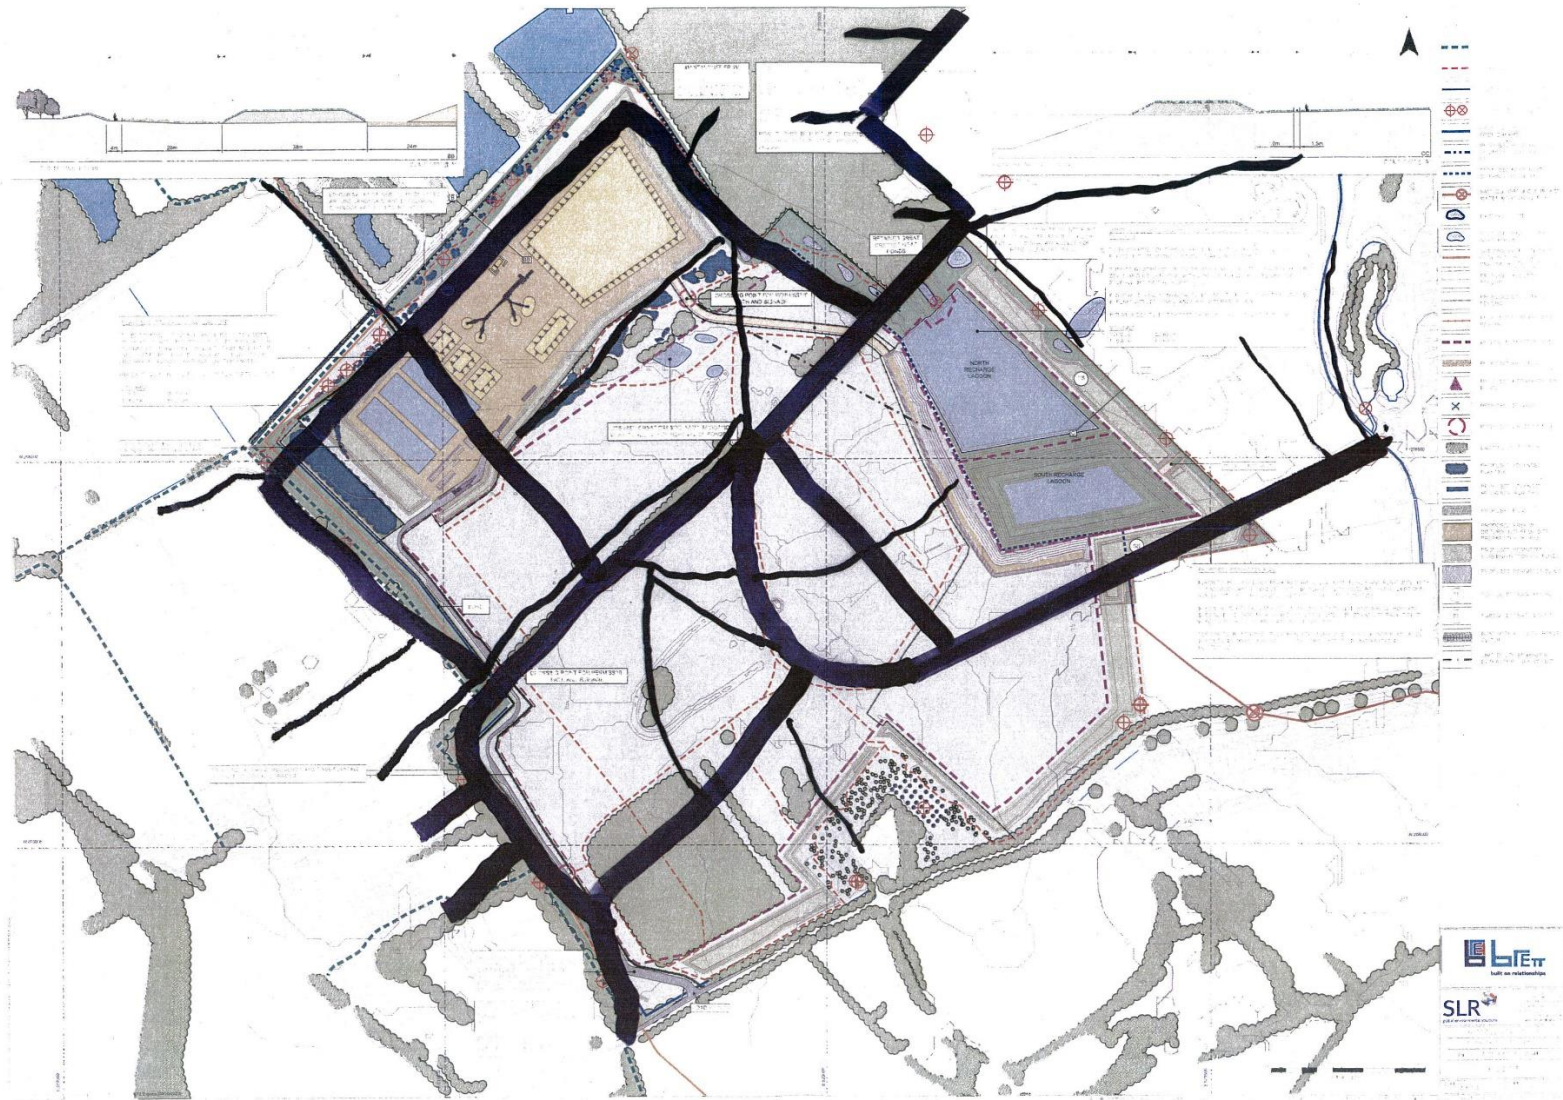

The Wider Line indicate the higher level of use in snow tracking study or higher number of recorded sightings in User Study.

The narrower line indicates a record level use by moderate number of people.

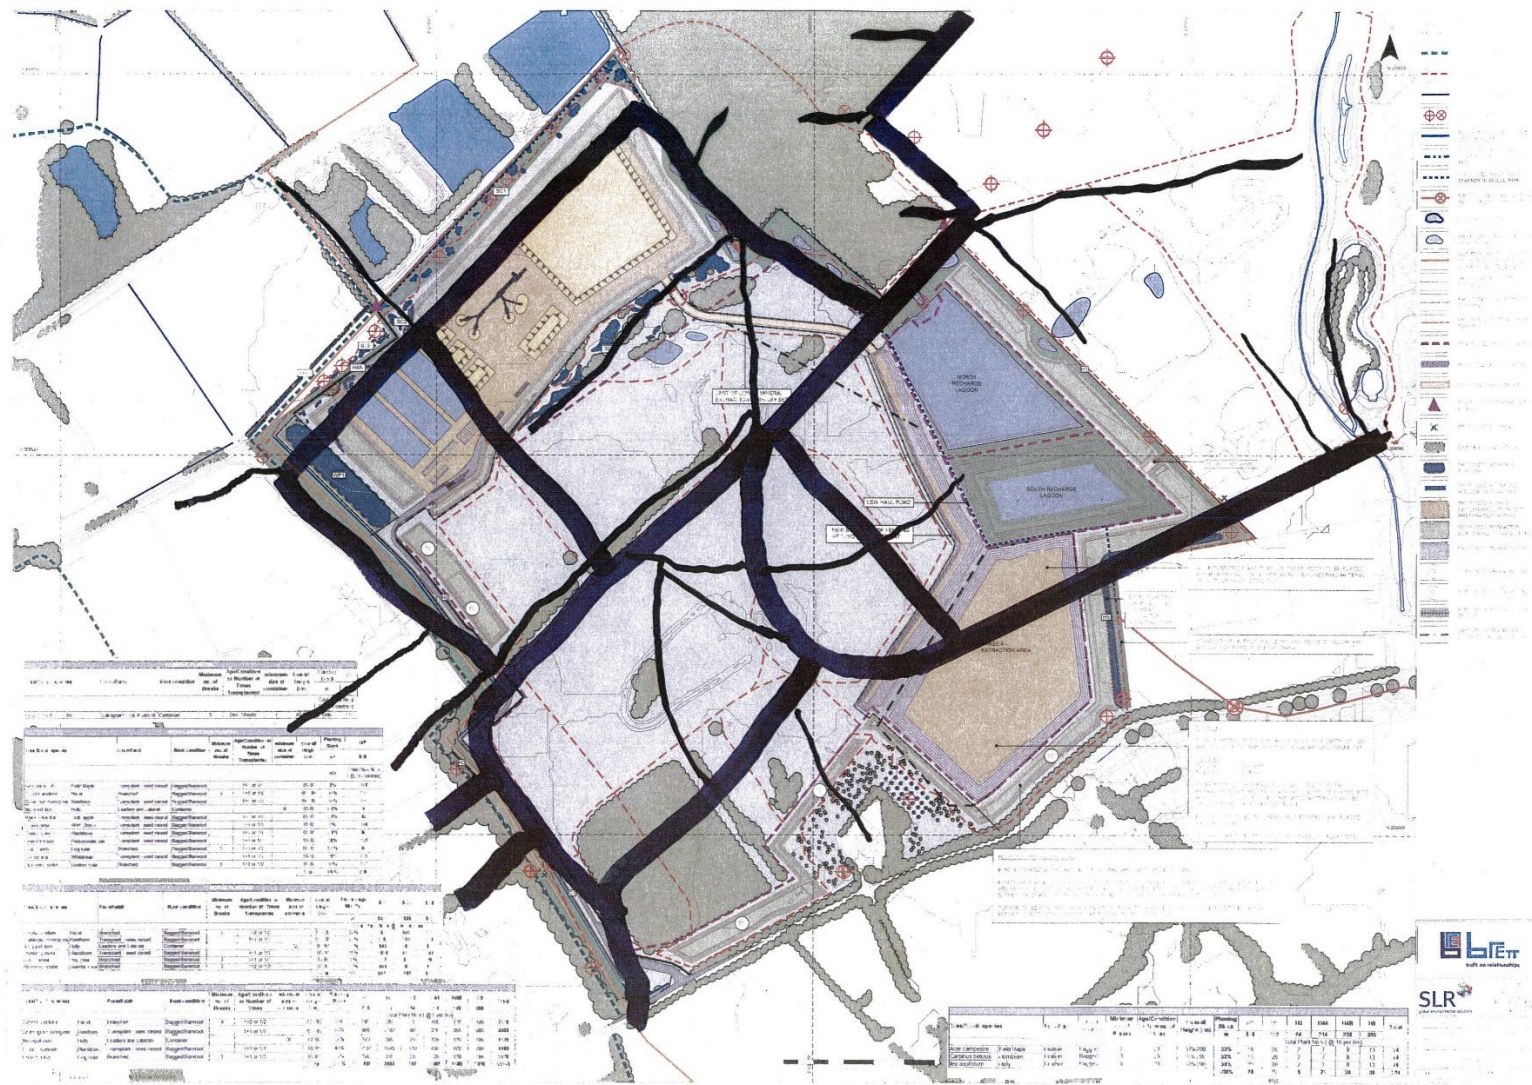

Routes where only 1 or 2 people have been recorded are not shown on these maps.
