Subject: Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway to the southeast of Cambridge Cambridge

I, Mark Collier, of [REDACTED] am writing to make a formal objection to the “Application for a Transport and Work Act Order to the Department for Transport (DfT) for a new busway to the southeast of Cambridge”, as submitted by the Cambridge Greater Partnership on 9 January 2025.

First and foremost I am not convinced the busway is needed or will be used.

The busway will add a new background noise to the village in addition to the existing M11 hum.

The proposed route cuts through attractive open countryside where I regularly walk my dog along with many other from this and surrounding villages. I understand there is a better alternative route adjacent to the A1307 main road, which was the original plan. Why has this been dropped?

Best Wishes, Mark Collier
