UTTLESFORD LOCAL PLAN
Towards Net Zero Carbon

Note

The Uttlesford Local Plan 2021-2041 Policies Map illustrates all site-specific allocations and designations included in the 'Adopted' version of the Uttlesford Local Plan. The Development Plan for Uttlesford also includes the Minerals and Waste Local Plans produced by Essex County Council and Made Neighbourhood Development Plans, which provide respective supporting maps showing allocations made in those plans where appropriate. These can be viewed under the Council's interactive GIS Constraints Map platform.
