Dear Sir or Madam,

I am writing to object to the closure of the Moorgate crossing on footpath 209. This is a footpath that I used regularly to take my young grandchildren to the beautiful Moorgate Quarry. I see no reason why a footbridge could not be constructed over the line, thus keeping the footpath open. The alternative footpath is treacherous, with dangerous uneven steps at the top and no pavement at the bottom, so you have no choice but to step out next to the busy road. It is only a matter of time before someone is seriously injured or indeed killed. Whoever has decided to close footpath 209 must surely be unaware of the alternatives.
