Subject: Objection to Transport and Work Act Order to the DfT for a new busway linking Cambourne to Cambridge
Date: 07 January 2025 16:40:20

I, Shirley Lowe, of [REDACTED], am writing to make a formal objection to the "Application for a Transport and Work Act Order to the DfT for a new busway linking Cambourne to Cambridge", as submitted by the Cambridge Greater Partnership on 12 November 2024.

I am in favour of improving public transport in the area, but my objection concerns the section between Madingley Mulch and West Cambridge.

There is a good on-road alternative following the A1303, which would cost less, provide better access to the Biomedical Campus and avoid destroying Coton Orchard. I am concerned both about the environmental damage, and the unnecessary costs.

I know that Cambridge Past, Present and Future are raising objections to the scheme, and I hope you will look seriously at the information they have produced.

Yours,

Shirley Lowe
