To whom it may concern.

I shall keep this email short, I and many like me find it abhorrent that you are allowing an unelected group the power to bulldoze through an ancient orchard without exploring the alternative routes or whether the whole affair is warranted or wanted. Vast sums of taxpayer money is seen to being wasted by the GCP and your constant dangling of more funding carrots only urges them on, the mismanagement of taxpayers money is evident and yet they carry on.
Theirs and your mismanagement of Cambridge money is gross misconduct and a slap in the face of Cambridge public.

Kind Regards

Martin Dawson
