Subject: Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway linking Cambourne to Cambridge
Date: 06 January 2025 12:54:07

I, Nicola Hallows of [REDACTED] am writing to make a formal objection to the "Application for a Transport and Work Act Order to the Department for Transport (DfT) for a new busway linking Cambourne to Cambridge", as submitted by the Cambridge Greater Partnership on 12 November 2024.

Specifically, I strongly object to the off-road section between Madingley Mulch and West Cambridge. There is an off-road, cheaper alternative.

I am extremely unhappy about the effect on the natural environment, in particular Coton Orchard - a County Wildlife site and home to a huge amount of veteran fruit trees and associated biodiversity. These sorts of habitats are irreplaceable. Even hundreds, perhaps thousands, of newly planted saplings will never compensate for the destruction of this existing longstanding habitat.

Please do not go ahead with this destructive scheme, when an alternative exists which is cheaper and much less harmful.

Kind regards
Nicola Hallows
