Planning Inspectorate

THE CAMBRIDGE SOUTH EAST TRANSPORT ORDER ACT
REF DPI/E0535/25/7

Pre-Inquiry Note

References in brackets [ ] are to core documents on the inquiry website

Purpose of Note

1. Further to the pre-inquiry meeting note, we recognise that in the Greater Cambridge Shared Planning Service (GCSP) Statement of Case [CD3-20.01 REP-04] they defer matters relating to; car and cycle parking, transport impact and highway safety and flood risk to Cambridgeshire County Council (CCC) in the capacity of local highway and lead local flood authority respectively.

2. In view of CCC's role as the applicant, can the local authority set out whether these statutory roles will be represented in the Inquiry and if evidence or written submissions will be presented which set out their positions on the proposed development including its compliance with all relevant policies. In answering, also address archaeological local authority duties.

3. If the applicant/ local authority consider that this is not necessary, provide a full explanation.
