

We have asked to comment on the pre- CMC note and the Womble Bond Dickinson letter dated 3 March (**WBD Letter**).

The only comments we wish to make are as follows:

**Public Participation:**

The PCAA welcome as much public involvement as possible with people being allowed to attend the hearings at the venue rather than on line, if possible. Our view is that public participation should be at the beginning and end of the Inquiry and following the closure of topic.

**Ordering of the Issues and Evidence**

We ask that the topics be run in this order:

Forecasting  
Socio-economics  
Noise

We have three experts who will address forecasting in their evidence. One is our climate change expert and the other is our socio-economic expert. We only want to call these experts once to save time for them and the inquiry. If we can group Forecasting next to socio economic tht will at least reduce potential attendance at the inquiry and will ensure some evidence can be heard close together so any forecasting comments are not issues being raised again.

We attach our current list of witness which is potential subject to change and have highlighted where they are professionals.

**Main Issues – (we prefer the Inspectors issues list)**

We favour the issues as set out in the PINS note rather than the WBD letter subject to some revisions below.

d. Highway matters – is public transport provision adequate to reduce reliance on private car, issues related to off-site car parking *and whether the surface access infrastructure strategy is able to support development to 12 mppa.*

f. the effects of the development on noise, *disturbance and residential amenity;*

g. The impact of the proposed development on greenhouse gas emissions and compatibility with national and local planning policies on climate change, national climate change law and the UK's international climate change commitments *including examination of the Sixth carbon Budget recommendations by the Committee on Climate Change* (our words in italics supplement the suggested wording from BAAN)

h. *The extent to which the development would be consistent with overall economic growth in the United Kingdom including the issue of displacement of passengers from other areas* (we suggest that these words replace the wording proposed by PINS)

i. *The proposed development must show that the economic and other benefits have not been overstated and those that cause environmental and social harm have not been understated* (we suggest that this is included as an additional point)

## Timing

The only timing issue we have at present is that Our climate Change witness Tim Johnson cannot make the week of the 2<sup>nd</sup> - 6 August but with CC programmed later in the running order this shouldn't be a problem.

Yours sincerely

**Edward Romaine**

**Solicitor**

<b>Topic</b>	<b>Witness</b>	<b>Further comment</b>
Forecasting		
Noise	a) Laurence Vaughn b) Ryan Densham c) David Vaughan	LV – technical evidence RD and DV – impacts on quality of life as local residents
Air quality		
Surface access (including parking demand)		
Climate change	Tim Johnson	Also deals forecasting
Socio-economics	Alex Chapman Marc Postle	Also deals forecasting
Planning issues (including green belt)		
Effect of development on Parish council areas	1. Parish Council reps: a) Barrow Guerne PC – Nick Tyrell b) Cleeve PC - a parish councillor to be decided c) Churchill PC – Robin Jeacocke or Jan Murray d) Winford PC – Peter Longden or Gill Patch	
BANES comments	2. BANES: a) Cllr Sarah Warren b) Cllr Karen Warrington	Climate Change and effect on BANES  impacts on residents in the Chew Valley
Residential Amenity effects	3. Hilary Burn	Local resident and Chair of PCAA – Residential amenity, Impact of the Airport on the locality, effects of Silverstone extension

	<p>4. Local residents</p> <ul style="list-style-type: none"><li>a) Ryan Freeman</li><li>b) Abi Freeman</li><li>c) Tracy Harding</li><li>d) Paul Gooding</li><li>e) Hannah Gregory</li><li>f) Jordan Hall</li><li>g) Helen Hall</li><li>h) Mr Hayler</li><li>i) Mrs Hayler</li><li>j) Phil Haughton</li><li>k) Jenny Heath</li><li>l) Becky Heath</li><li>m) Rachel Middleton</li><li>n) Richard (Oz) Osborne</li><li>o) Jocelyn Ryder-Smith</li><li>p) Mrs Marney Shears</li><li>q) Scarlett Vester</li><li>r) Tricia Woodhead</li><li>s) Mrs Kay Wooler</li></ul>	<p>Further details below</p>
