Dear Madam/Sir,

Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway linking Cambourne to Cambridge

I, Barbara Le Gallez, of [redacted], am writing to make a formal objection to the "Application for a Transport and Works Act Order to the Department for Transport (DfT) for a new busway linking Cambourne to Cambridge", as submitted by the Cambridge Greater Partnership on 12 November 2024.

Specifically I object to the off-road section between Madingley Mulch and West Cambridge which passes through Coton Orchard, a County Wildlife Site and East Anglia's largest remaining ancient orchard, which is the eighth largest in the UK. This is an irreplaceable natural resource. Planting elsewhere would not offset the loss, because the natural ecosystem there has developed over a hundred years. We, as a country, cannot afford to go on destroying nature like this.

There is an on-road alternative which is much cheaper and in fact more suitable for the needs of commuters. Please direct the Greater Cambridge Partnership to use this instead.

Thank you,
Barbara Le Gallez,
[redacted]
