Subject: Essex Level Crossings Order re Wivenhoe crossings

I wish to object to the closure of these crossings and particularly the one at Paget Road -E41. The railway line cuts through the heart of old Wivenhoe and with only 2 road crossings- one narrow and the other on a stony unadopted road- the Paget Road crossing makes a safe and flat alternative which is used sensibly and is very popular with local residents. The proposed removal of this crossing is such a serious matter that I would like the question of its removal to go to a Public Enquiry.
