Dear Sir,

I am writing to express my objection to the proposed closure of the pedestrian crossing at Paget Road, Wivenhoe. I am a Wivhonian having been born in the village seventy five years ago. In my lifetime I have used the crossing countless times. I have never regarded this facility as being a danger. Equally, I am unaware of any serious incidents that may cause concern or lead to an impulse to close the crossing. An alternative route suggested in the closure proposals is neither convenient or practical.

Yours sincerely,

Mr Robert Needham, [REDACTED]
