Objection to Carrhill Lane and Mill Lane to be used for construction traffic

To whom it may concern,

I am the director for a service for vulnerable children on Carrhill road- address below. This is a therapeutic service for children who have experienced sexual, emotional, physical abuse and neglect. The children are aged between 2 and 18 years old and their families. They require a calm and safe environment to heal from their trauma. Part of arriving and leaving Tiptoes safely is an important part of this process. Loud noises, dirt and unclean air pollution from construction vehicles and increased traffic on an already busy road is likely to add to emotional and physical risks for children who are getting out of cars with their parents and carers to attend the centre. There is a duty of care to our children attending the service here which could impact on their human rights for safety. We strongly object to the road being used for any construction related traffic.

Yours sincerely,
Kim and Tim Woodhouse , Directors.

"You are mistaken if you think we have to lower ourselves to communicate with children. On the contrary, we have to reach up to their feelings, stretch, stand on our tiptoes."
