Subject: Cambourne to Cambridge Guided Busway: Objection
Date: 06 January 2025 21:39:17

Dear Secretary Of State for Transport,

I would like to raise an objection to the planned Cambourne to Cambridge Guided Busway. As a resident of Gough Way estate, I was surprised to hear that that GCP submission has not taken into account the modelling undertaken by Clare Hall on the proposed route, notably the Bin Brook crossing flood risk. The modelling suggestions that there may be an increased risk of flooding to the Gough Way Estate and failure to taken this into account, means the GCP proposal is likely not compliant with national planning policy.

I look forward to receiving your correspondence on this objection.

Kind regards,

Kevin Doyle

Dr KJ Doyle
