Subject: Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway linking Cambourne to Cambridge
Date: 06 January 2025 16:31:07

Dear Secretary of State for Transport,

I write to make a formal objection to the 'Cambourne to Cambridge: Transport and Works Act order' (<https://www.gov.uk/government/publications/cambourne-to-cambridge-transport-and-works-act-order>) submitted by the Cambridge County Council and Greater Cambridge Partnership on 12 November 2024.

I am sure many have expressed themselves more fluently, so this will be kept short. My objections are related to the destruction of wildlife sites and damage to biodiversity when there is a viable alternative method, developing public transport and related cycling/walking infrastructure adjacent to the A1303, that would be less damaging and would serve the communities en route more adequately.

Yours faithfully,
