Dear Ms Beard.

Each few days I walk from my home in Coton, over the footbridge at the end of the footpath turn ~~right~~^{left}, walk past BAS and to Madingley Park and Ride or our local Sainsbury. I see a land swap notice on my walk. The land I use ^{almost} daily has a ^{public} footpath, tall trees, wildlife including bats and is a useful access to places beyond it. It is a city wildlife site. The land for which it will be exchanged has no access, no footpath, no trees and no accompanying biodiversity. I do not consider this a fair exchange.

Yours faithfully,
