Subject: Destruction of Cambridgeshires beautiful and historic COTON ORCHARD by the self serving and unelected GCP
Date: 08 January 2025 19:43:36

Dear sirs

As a tax and council tax paying resident of Cambridge, I am lodging my grave concerns about the latest shambolic and unacceptable plan to ruin a beautiful historic orchard for nothing more than a lump of concrete that NO ONE wants.

The GCP do not act on behalf of us, the tax payers so they need to be stopped in their tracks.

We do not want their ridiculous and costly wastes of money and some have questionable backgrounds and agendas.

This absolute MUST be stopped and their actions need to be investigated.

Please take this as my objection and please action accordingly. NOW!!!

Coton Orchard cannot be another victim to their madness.

Thank you in advance

Penny Winter
