>

> I am writing as a Mossley Town(parish) councillor and as a resident in a personal capacity. Several neighbours have approached me regarding the work and its potential impact on Old Brow Court. Work has been detailed regarding "Mossley Cottages" (Route drawings 2&3; Existing General Arrangement sheets 1-4 & Proposed General Arrangement sheets 1-4) which details railway protection works.

>

> in relation to this verbal reference was made to moving the rail track further away 1 metre from Mossley Cottages, which will have the effect of moving the railway track eastwards towards Old Brow Court. If carried out this will impact adversely particularly on residents on the ground floor apartments. No written reference to this work in the TWAO other than an anomalous line drawing associated with the existing Mossley station.

>

> With reference to the application for an order which would temporarily stop up streets & public rights of way. The application would prevent parking and usage of Old Brow Court 24/7 including delivery.

> Old Brow Court is a social housing development run by Accent Housing for over 55 year olds (26 housing units with c. 36 current residents) many of the residents are approaching old age with several having medical, caring and mobility issues. Residents often rely upon visitors for shopping delivery, medication delivery and community nursing and carers which could include family members. Old Brow Court is located adjacent to the existing Mossley Railway Station, off Stamford Road & Abney Road. It is also adjacent to the Abney Road Footbridge & footpath MOS 137/10 (Route Drawing 2&3).

>

> In short the proposed work on Abney Road Footbridge & existing Mossley station, Mossley station footbridge and any Stamford Road bridge works will all potentially significantly impact on the residents of Old Brow Court.

>

> Whilst it is impossible at this stage to identify either the timescale, likely magnitude or duration of the works; it is imperative that cognisance of the needs of Accent clients, Old Brow Court residents and that sufficient and adequate information is given to those affected. Displaying sheets of A4 on lamposts and other street furniture is insufficient.
