

# Histon Road

# **We're pleased to announce the Histon Road project is complete and open for public use.**

The project aimed to provide better bus, walking and cycling facilities to people travelling on this key route into Cambridge. The project features:

- 6,400m<sup>2</sup> of new footpaths
- 8,000m<sup>2</sup> of new cycle lanes
- 540m of bus lane
- 3 floating bus stops
- 2 additional pedestrian crossings
- 8,200m of new and recycled composite material drainage kerbs
- installation of 160m of green fence
- 16 new trees

Please watch in YouTube for more accessibility options. (<https://www.youtube.com/watch?v=WngvxSFX7I0>)
