Report Suspicious

Mrs Susan Whitaker
[redacted]

I have lived in Tackley for almost 40 years - walking my dogs, over the railway line, and now over the dreadful mecano-style bridge. The thought of the bridleway being closed and replaced by a bridleway parallel to the railway line terrifies me. Dogs, parents with children, a horse who shies from the sound and tremor of a train...please be realistic, this is an invitation for disaster. You seem to have no interest in how a village may be affected by this, and are only interested in profit.

I object STRONGLY.
