Dear Secretary of State,

I am writing to add my name to the list of those who are objecting to the proposed closure of of Moorgate Level Crossing, Uppermill - Public Right of Way 209 Saddleworth.

In my opinion, the proposed improvements to Path no 244, so that it could be used as a substitute, will still render it unsatisfactory inconvenient and unsafe, and in any case the reason stated for not building a footbridge at Moorgate - that it would cost millions of pounds - is preposterous.

Yours faithfully,

Samuel Kelly
