Subject: Objection to Transport and Work Act Order to the DfT for a new busway linking Cambourne to Cambridge
Date: 05 January 2025 11:15:19

I, Dr Susan Jackson, of [REDACTED], am writing to make a formal objection the "Application for a Transport and Work Act Order to the Department of Transport for a new busway linking Cambourne to Cambridge" as submitted by the Cambridge Greater Partnership on 12 November 2024.

I am specifically objecting to the off-road section between Madingley Mulch and and West Cambridge. This section is not only environmentally destructive but also unnecessary.

Now that new Labour government has confirmed its intention to proceed with the East West rail development, that will provide a direct public transport link between Cambourne and the new Cambridge South station, adjacent to the Biomedical Campus. That will provide an excellent public transport option and will also allow the retention of a valuable source of biodiversity.

Please register my objection.
