Subject: Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway to the southeast of Cambridge Cambridge

I, Derek Turnidge of [REDACTED] am writing to make a formal objection to the "Application for a Transport and Work Act Order to the Department for Transport (DfT) for a new busway to the southeast of Cambridge", as submitted by the Cambridge Greater Partnership on 9 January 2025. The grounds for this objection are the following:

Rather than construct 5 miles of new road through open countryside it must be better to widen the existing A1307 as originally proposed in order to deliver improvements in transport. This would also be better for the environment and wildlife I suggest..
