Subject: The Busway

This is prime agricultural land. With the uncertainties in the world we need to be able to feed ourselves. £160 million to build it is outrageous when the better busway saves £100 million. Think what else you could do with that £100 million. Add an extension to a hospital, provide more care in the community. Open new GP surgeries. Endless better ways to spend the money.

THIS CANNOT BE ALLOWED TO GO AHEAD
