Subject: Objection to Cambourne Cambridge Busway Proposal
Date: 06 January 2025 13:20:10

Secretary of State for Transport SENT
Transport Infrastructure Planning Unit
Department for Transport

transportinfrastructure@dft.gov.uk

Dear Minister,

My objection to the Cambourne to Cambridge busway proposal is that the proposal does not consider the risk of flooding into the Gough Way estate where we live. As flooding is becoming more widespread and serious and we frequently receive warnings of flood risk from Bin Brook, this seems strange. I understand that this consideration is a requirement of such proposals.

Kind regards,

Mrs. Lesley Habibi
