Dear Ms Vincent,

**RE: Cambourne to Cambridge Transport and Works Act Order
Transport and Works Act 1992 and Transport and Works (Applications and Objections
Procedure) England and Wales Rules 2006
Public Inquiry 16 September 2025**

I represent National Highways and refer to the above Transport and Works Act Order Inquiry due to commence 16 September 2025. National Highways and Cambridgeshire County Council have now agreed the provisions for the protection of National Highways and approved the engrossments for an Overbridge Agreement between Cambridgeshire Council and National Highways which is now undergoing the sealing process. On the information before the Inquiry and provided to National Highways to date, I confirm National Highways has no objection to the making of the Transport and Works Act Order. In the circumstances National Highways do not intend to attend the Inquiry unless required to do so by the Inspectors. I would be grateful if this letter could be placed before the inspectors at the Inquiry, due to commence 16 September 2025.

Yours sincerely,
