Subject: Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway linking Cambourne to Cambridge
Date: 01 January 2025 12:59:58

I Robert Brown of [REDACTED], am writing to make a formal objection to the “Application for a Transport and Work Act Order to the Department for Transport (DfT) for a new busway linking Cambourne to Cambridge”, as submitted by the Cambridge Greater Partnership on 12 November 2024. When the government and Cambridge Council is obliged to spend taxpayers money in the most economical and environmentally friendly way, it is unfathomable that they should be contemplating creating this off-road busway when there is a much cheaper on-road alternative and also a possible new railway link in the not too distant future.

I may not live adjacent to the route but I am an orchard user and supporter of sustainable transport which this proposed off-road busway is not.

Regards
