Subject: Objection to Brett Agregates" Revised Public Access Strategy - Ellenbrook Fields
Date: 14 March 2026 14:33:54

Dear Ms Vincent,

I am writing to object to the revised public access strategy submitted by Brett Agregates for the proposed quarrying of Ellenbrook Fields.

My objection is focused on the public access across the park. I live close by Ellenbrook fields and the removal of a large part of the concrete walkways would remove a significant safe place to walk in all weathers. The inspector was clear that cross park access must remain convenient and unfettered. These revised proposals fail on both these grounds.

On this basis alone the revised proposal should be rejected and the current uncertainty removed.

Yours sincerely,

Michael Woodmore
