Subject: Objection to Transport and Work Act Order to the department for transport for a new busway to the southeast of Cambridge

We David and Julia Creed of [redacted] are writing to make a formal objection to the "Application for a Transport and Work Act Order to the Department for Transport for a new busway to the southeast of Cambridge" as submitted by the Cambridge Greater Partnership on 9th January 2025.

It is our considered opinion that the proposed route for the busway would deliver considerable harm when there is an alternative and much cheaper (we understand £100,000,000 cheaper) route first proposed in 2018 with section of bus lane being built adjacent to the A1307 and one mile of new busway.
The harm includes:
- 5 miles of new road through open countryside
- Two additional unnecessary bridges over the River Granta chalk stream

As villagers we would not use the proposed busway as the bus stops are on the other side of the village and up a hill.

Many thanks for considering this matter carefully,
Yours faithfully,

David and Julia Creed
