The Transport and Works (Applications and Objections Procedure) (England and Wales) Rules 2006

The Network Rail (Stalybridge to Diggle (Saddleworth) Enhancements) Order

NOTICE OF APPLICATION TO ACQUIRE RIGHTS IN LAND COMPULSORILY, TO EXTINGUISH RIGHTS OVER LAND, TO IMPOSE RESTRICTIVE COVENANTS OR OTHER COVENANTS OVER LAND, TO TEMPORARILY USE LAND AND FOR POWERS TO CARRY OUT PROTECTIVE WORKS TO BUILDINGS ROADS AND APPARATUS OF A STATUTORY UNDERTAKER

Network Rail Infrastructure Limited ("Network Rail") of Waterloo General Office, London SE1 8SW has applied to the Secretary of State for Transport under section 6 of the Transport and Works Act 1992 for the above mentioned Order under sections 1 and 5 of that Act.

The draft Order seeks to authorise Network Rail to construct, operate and maintain works on the Transpennine Line between Stalybridge and Diggle (Saddleworth) for the purposes of increasing capacity and improving journey time and performance reliability of rail services on the Transpennine Line both between Stalybridge and Diggle (Saddleworth) and Manchester, Leeds and York.

The draft Order also seeks to authorise railway electrification works, bridge reconstruction works between Stalybridge and Diggle (Saddleworth) and a new station at Mossley. The Order also confers powers to close and replace existing level crossings on the railway between Stalybridge and Diggle (Saddleworth).

The draft Order provides for the compulsory purchase of rights in land, the extinguishment of rights over land, the imposition of restrictive covenants or other covenants over land and rights to temporarily use land and provides for rights to carry out protective works to buildings, roads and apparatus of a statutory undertaker on land within the limits of the draft Order.

The land described in the First Schedule to this notice in which it is believed you have an interest is subject to the exercise of the compulsory powers provided for in the draft Order as described above.

The application is not to be made subject to an environmental impact assessment.

The application contains a statement that a direction for deemed planning permission is being applied for.

A copy of the application, and all of the plans and other documents submitted with it may be inspected free of charge from 7 November 2025 until 19 December 2025 at the places and at the times set out in the Second Schedule to this notice.

A copy of the application, and of all plans and other documents submitted with it, may also be viewed and downloaded from Network Rail's website at <https://www.networkrail.co.uk/running-the->

Any objections to, or other representations about, the proposals in the Transport and Works Act Order application should be sent by email to transportinfrastructure@dft.gov.uk or alternatively by post to the Secretary of State for Transport c/o Transport Infrastructure Planning Unit, Department for Transport, Great Minster House, 33 Horseferry Road, London, SW1P 4DR.

An objection or other representation MUST (i) be received by the Secretary of State on or before 19 December 2025, (ii) be made in writing (whether sent by post or e-mail), (iii) state the grounds of the objection or other representation, (iv) indicate who is making the objection or other representation, and (v) give an address to which correspondence relating to the objection or other representation may be sent. Where an objection is made (and not withdrawn) by a person who is an owner, lessee, tenant or occupier of any land which is subject to compulsory purchase in the draft Order, and that person so requests in writing, the Secretary of State must hold a public local inquiry or otherwise give that person an opportunity to be heard. However, this rule will not apply where an objection appears to the Secretary of State to be frivolous or trivial, or to relate to matters which fall to be determined by a tribunal concerned with the assessment of compensation.

The Secretary of State may make complete copies of the objections and other representations public, including any personal information contained in them, and will copy them to the applicant for the order.
