To whom it may concern,

I am writing to wholeheartedly object to the proposed re-routing of the bridleway in Tackley.

My family and I have been residents of Tackley for over 17 years. We are all daily users of the bridleway for exercise and access to the locks, the canal and surrounding nature trails and countryside. Closing this route denies all of us our access along an ancient right of way (walking, running and cycling) which is an essential part of our positive mental health.

My name: Louise Badawi

My address: [REDACTED]

Yours Faithfully,

Louise Badawi
