Dear Network Rail

A Bridleway in Tackley is being re-routed by Network Rail. The result is that we will have to ride for 1km alongside the railway in a fenced corridor, only 4m away from the railway track. This route is deemed dangerous to life and does not meet your obligations.

I request a full public consultation over the new route and that you involve walkers, cyclists and horse riders, all classified as vulnerable road users, in your consultation process.

Ignoring poor decisions is no excuse to put lives at risk.

I strongly object.

Yours

Susan Briscoe
