I am writing to object to the above referenced proposal.

The green area known as brookfields is an irreplaceable natural resource for the community. To destroy a significant part of our natural asset I regard as vandalism, to do this for the convenience of contractors is unconciable.

Access for all pertaining works exists from Manchester Road. I fear that any development on brookfields leaves it open to property developers to subsequently use the site, something Mossley folk have fought successfully against for many years.

- Please reconsider the proposal , I beseech you

Yours sincerely

Nigel holden
