Dear Sir or Madam

Re: Network Rail Stalybridge to Diggle TWA Order

I would like to raise an objection to the plans to Mill Lane and Carrhill Road in Mossley for construction related traffic access to the development of the new railway station.

These roads are already busy enough and there is a Primary School located on Mill Lane. Heavy construction traffic here will be dangerous. The school has a duty of care to its pupils and this proposal compromises the school's effort to fulfil that responsibility.

I suggest access from Manchester Road is a safer alternative

Sincerely

Paul Buckley
