Subject: OBJECTION to the plan for a Busway between Cambourne and Cambridge
Date: 08 January 2025 23:00:36

Dear Sir/Madam,

I am writing with a strong objection to the ridiculous plan for a for busway between Cambourne and Cambridge, as submitted by the Cambridge Greater Partnership in 12th Nov 2024.

The route is highly unsuitable and would rip through miles of valuable countryside, the ancient Coton orchards, cut close to rural villages and ruin landscape on the hillside. The damage to wildlife would be inexcusable at a time when nature is struggling and dying in front of our eyes.

Please review the plan with a hope that a more sensitive solution to be found which respects the local residents and our wildlife.

Please contact me for more information on our preferred routes and transport infrastructure for this local countryside area. Thank you for your consideration.

Kind regards

Paul Brown.
