Dear Jane

We have now had an opportunity to discuss this matter with Richard Honey. I am also aware of developments as regards the fact that a programme has been produced for the production of further information.

HE continues to maintain its objection. Whilst we are encouraged by the appointment of transport consultants, we do not consider that there will be enough time to deal with the information properly to allow HE to respond. We would therefore support the suggestion of a joint request to the Secretary of State to adjourn this inquiry.

I am not available to discuss further today but available tomorrow if needed.

Kind regards

Susanna
