You don't often get email from [REDACTED]. [Learn why this is important](#)

I am a resident in Saddleworth, [REDACTED].

I am concerned about the traffic impact of the above work in the Greenfield area and the lack of communication with residents.

It would help considerably if residents were told

1. When the work is to be carried out.
2. Which roads will be impacted and what diversions will be put in place.
3. What the proposed schedule of work is.
4. What speed limits will be implemented with the increased traffic on narrow inaccessible roads.
5. What the working hours will be, will residents be kept awake all night with lorries and train replacement buses thundering past. (Hence the question about speed limits)

Yours sincerely
