You don't often get email from wayleaveenquiries@enwl.co.uk. [Learn why this is important](#)

Dear Sir/Madam,

SP ENWL confirm receipt of your Notice of application to temporarily use land for access and powers to carry out protective works to buildings, roads and apparatus of a statutory undertaker.

Where the required works impact SP ENWL overhead and underground assets, the appropriate confirmation should be sort in accordance with the usual process as per the Diversions Team, as and when necessary. Any works or access required on SP ENWL freehold and leasehold site, SP ENWL object to the proposals until such a time as an acceptable alternative site and costs of relocations are agreed between the parties.

If you wish to discuss any of these points further, please contact us via this email address.

Kind Regards,

Sarah Czarnobay | Land Rights & Consents Support Officer | **Land Rights & Consents**
