Subject: Application to quarry on Ellenbrook Fields
Date: 09 March 2026 10:43:17

Good morning,
I am writing to ask you to kindly consider my concerns regarding the proposed quarrying of Ellenbrook Fields.

I live locally [REDACTED] and regularly use the fields to walk with my dog, often accompanied by my youngest grandson. Our two older grandsons have also both enjoyed coming to the fields with us over the years.

The proposed new paths are totally unsuitable for the way we currently use the Fields. It will make access for us extremely difficult as we will no longer be able to take our active dog off lead and it will be impossible for us to bring the [REDACTED] buggy which we currently do for his safety and comfort as it is very likely to become boggy and unusable. We can currently walk along the taxi way safely. There is no other area locally to which we can comfortably walk that has the expanse of area where our little one (and dog) can run unimpeded. For the sake of our wellbeing I ask that you consider this matter seriously.

Many thanks

Pauline Lyon
